

The Square Wave Morse Code signal is coupled wirelessly to the AM Radio by placing the circuit board within several inches of the AM Radio loopstick coil antenna.

#### PARTS LIST

R1, R2 2.2k 1/4w resistors

R3, R4 330k 1/4w resistors

C1, C2 .005  $\mu$ F capacitors

Q1, Q2 2n3904 hFE 152-246 NPN transistors

9v Battery with plug & clip

Small Vector Board

Morse Code Key

#### Wireless Morse Code Practice Circuit
